FOR HEALTH AND ENVIRONMENTAL LEADERSHIP
ADVANCED LEADERSHIP TRAINING PROGRAM

APPLICATION SIGNATURE PAGES

FELLOW RESPONSIBILITIES AND AGREEMENTS

Fellows in the Advanced Leadership Training Program must commit the time required to complete assignments and participate in four on-site "events" of three days duration. The on-site events occur at various venues around the Rocky Mountain region, and are typically held in August, October, January and May. Transportation to and from the Program events is the responsibility of the individual fellow. In between the events, the fellows read books on leadership, complete self-assessments, participate in on-line discussions or conference calls, and work on projects that require their leadership. Fellows must have regular, reliable access to the internet to participate in Program activities. The Program cannot assume any costs for the computer and communication systems used by the fellows. Fellows should have the active and demonstrable support of their employers for this time commitment in the form of time-off from work to participate in the on-site events. (Many employers will also support the program tuition and associated expenses of the fellows.) The concurrence of a cognizant supervisor is required as part of the application.

To be completed by applicant: I am willing and able to make the following commitments if invited to be a fellow of the Institute. Further, I understand that if I do not fulfill these commitments, my continued participation will be reviewed by the selection committee.

Please check box if you agree to the following statements.

- 1. I will commit the time necessary to attend all Program events and fulfill the Program assignments.
- 2. I will be an active contributor to the Program and agree to participate in group learning activities.
- 3. I will participate in the evaluation activities of the Program.
- 4. I will complete all assignments required during the Program year.
- 5. I have or will have regular, reliable access to the Internet to participate in the activities of the Program. (If not, please explain.)
- 6. I have or will have my employer's support to participate in the activities of the Program. (If not, please explain.)

As an applicant to the Advanced Leadership Training Program, my signature below indicates that

1. I have agreed to all six of the statements above.
2. I understand that a federal law known as "the Buckley amendment" imposes limitations on the release of student records without the consent of the student. I hereby authorize the Regional Institute for Health and Environmental Leadership to release any record relating to my participation in the Advanced Leadership Training Program.
3. I authorize the use of my name as a participant in the program and in evaluations of the program.
4. I understand that as part of this program I may participate in the creation of web pages that may contain information about me, and I authorize the release of this information.
5. I understand that my acceptance into the Advanced Leadership Training Program is conditional upon the satisfactory results of a criminal background check, and have completed the form.
6. I understand that this is my concurrence with and signature on a waiver, release, covenant not to sue and indemnity agreement on behalf of myself and any who may make a claim on my behalf protecting the Regional Institute for Health and Environmental Leadership, its faculty, staff, governing board, subcontractors and fiscal agents from the consequences of any unintentional harm caused to me arising out of my participation in the ALTP.
