## JESSICA FORSYTH

## BIOGRAPHY

---

Jessica is the Director of Community Health Promotion at Denver Public Health (DPH). In her role, she supports managers in their work the community to advance policy and environmental changes to ensure all Denver residents have equal opportunities for health. She was also instrumental in DPH hiring a Health Equity Coordinator to support work across the department and with our community.

Previous to her current position, Jessica was the Program Manager of the Children's Hospital HIV program which served children, youth, women and their families who are infected, affected or at-risk for HIV infection. Additionally, Jessica started a program for youth living with HIV in St. Louis, MO. Jessica has also been adjunct faculty at the Brown School of Social Work at Washington University in St. Louis and the University of Denver School of Social Work where she taught about social determinants of health and social justice. Jessica has her MSW from Washington University in St. Louis.
