## MARC KOLMAN BIOGRAPHY

---

Marc Kolman, MSPH, is currently Deputy Director for Developmental Disabilities for the State of New Mexico Department of Health. Marc has more than 25 years of experience working in a variety of health-related disciplines in state and local government as well as non-profit organizations. Marc is known for systems-thinking, sense-making, facilitation, and collaboration.

Marc's focus on personal growth and development has fostered life-long learning and an ability to lead with compassion.

Marc holds a BA from Brandeis University and an MSPH from the UNC Gillings Global School of Public Health.
