

DECLARATION OF SUPPORT FOR THE GOVERNOR'S PLAN

The members present “declare support for the Governor of Colorado's ‘State of Health’ platform and encourage other health professional organizations in our state to also declare their support for this plan; endeavor to collaborate with other health professionals - knowledgeable in the unique health concerns of our communities - on improving health outcomes; and endeavor to specifically work toward a goal of access to health and healthcare, including behavioral health for all children, in our communities and in our state.”
