## EVAN ROTH BIOGRAPHY

---

### **Professional Expertise**

Evan Roth leads Roth Consultancy International, LLC., a coaching and consulting company, focused on assisting executives, boards of directors, and management teams to succeed in all facets of business performance. He is known as the executive coach who “serves the few who influence the many.” He brings 30 years of business experience into every coaching and consulting assignment, knowing that focus on results and pragmatism are essential to success. His goal is for clients to thrive in the corporate world.

His coaching approach is tailored to the unique needs of the individual and has included assignments related to executive effectiveness, emotional intelligence, goal attainment, team dynamics, change management, energy leadership, and conflict management among others. Clients participate in an assessment of their constantly fluctuating energy levels, the results of which lead them to a development plan to reach their goals quickly and sustainably. He is a Certified Professional Coach from the Institute of Professional Excellence in Coaching, an Energy Leadership Index Master Practitioner, and an Associate Certified Coach under the International Coach Federation. He is also EQi2.0 certified in Emotional Intelligence.

### **Professional Experience**

Evan has extensive experience in organizational and leader development, finance and accounting, general management, international expansion and operations, strategy development,

process improvement initiatives, employee engagement and well-being, cultural assessment and enhancement, innovation, and M&A/integration. He has served as General Manager, Chief Financial Officer, Chief Learning Officer and VP-Finance in public and private companies in the financial services and technology industries. He has led teams on three continents, understanding the need for cultural sensitivity in all business situations.

### **Professional Development**

Evan is a Certified Public Accountant (inactive) and earned his bachelor's in accounting from Goshen College, Indiana. He also has a degree in Financial Management and Control from the School for Bank Administration, Madison, Wisconsin. He has a strong operating knowledge of Myers Briggs, The Predictive Index, Gallup's Strengthsfinders, and the Thomas Kilmann Conflict Indicator among other assessments. He is bilingual in Spanish, and conversational in Portuguese. He serves as Chairman of the Board for Healing Waters International, a non-profit organization that provides clean drinking water for the poor in Latin America and Africa. He resides in the Denver, Colorado (USA) metro area.

### **Workshops and Facilitation**

Evan conducts structured facilitation and workshops on many topics, including energy leadership, team dynamics, change management, conflict management, and leadership development.
